Ref.B.7/11486-48. South Kanara Collector's Office,
Mangalore, dated: 17th June 1948.

From

S. R. Kaiwar Esq., ICS.,
Collector of South Kanara.

To

The Secretary to Government,
Revenue Department, Madras.

Through

The Secretary to the Board of Revenue,
Land Revenue, Excise & Prohibition, Madras.

S i r,

ESTABLISHMENT - Temporary (South Kanara) - Minor Irrigation Staff - Investigation of certain schemes - Retention - Sanction requested.

Ref: G.O.Ms.No.1071 Revenue Department dated 6-5-48.

In the G.O.cited, the Government have sanctioned the continuance of the Minor Irrigation staff in this district till 30-6-194[illegible] In this office Reference A-5/8283-46 dated 3-10-1947 to the Board of Revenue, the merger of the Minor Irrigation Staff with the P.W.D was recommended, but no orders in this matter have been received so far. Meanwhile there are quite a large number of schemes for investigation in this district. The progress in the investigation made so far is not much owing to the fact that the Minor Irrigation Supervisors posted to this district go on leave and the work had to be carried on by putting the Minor Irrigation Overseer in addi-tional charge of the work.

2. I therefore request that the Minor Irrigation staff of this district consisting of:

(1) One Minor Irrigation Supervisor.
(2) Two Minor Irrigation Overseers.
(3) Three Minor Irrigation Lascars,

may be ordered to continue till 31-3-49 or till it is merged in P.W.D., whichever is earlier. I am continuing the staff in anti-cipation of sanction. My action may kindly be approved.

3. As for the proposal for the merger of the Minor Irrigation Staff in the P.W.D. made by my predecessor, I doubt whether it is a wise or a practicable steps. The Collector is responsible for the investigation and execution of minor irrigation works and it is proper that the staff should be made under his direct --- supervision. I have also decided to entrust the Minor Irrigation staff with the execution of Rural Water Supply well works, hitherto executed by the Highways Department and thus put the Minor Irriga-tion Staff on a more workable footing. I request that the merger proposal may have to be dropped. I shall submit revised proposals in that regard separately.

For Collector.
